Wednesday, April 24, 2019

TEXAS A&M  
Institute of  
Data Science

# Welcome!

- Aims of Texas A&M Institute of Data Science Workshops
  - Connect researchers & build community in various areas in and around Data Science
  - Develop or consolidate focus => new collaborations => position for larger support
  - Identify opportunities for TAMIDS support to drive further progress
- TAMIDS Workshops Series
  - 2/11/2019 Workshop on Operational Data Science: <https://bit.ly/301EuiL>
    - Improve operations of Texas A&M, connect faculty to practitioners in transportations, facilities, networking,...
    - Already some new activities underway...
  - 4/24/2019 Workshop on Data Science/AI/ML in Education
  - 10/29/2019 Workshop on Data Science in Energy (with Texas A&M Energy Institute)

# Bring Your Own Workshop!

- TAMIDS Data Science Workshop Grants Program
  - TAMIDS will pay for your one day workshop in Data Science for X
    - up to \$1,500 local expenses + \$2,000 for external speakers
  - Copy our low overhead arrangements if you wish
  - Send me email if you would like to propose a workshop
  - <https://tamids.tamu.edu/category/progs/>

# Further TAMIDS Initiatives

- Aim: support activities that are hard to support locally otherwise
  - Act now for promising cases, make competitive for external support later
- TAMIDS Postdoc Project Programs
  - Support 50% of Data Science postdoc (2019 results announced by April 30)
- TAMIDS Data Partnership program (TBA)
  - Development / sharing / use of data to enable research
  - Support 50% of developer/coordinator or TAMIDS Data Science consultant
- Coming soon: MS, short courses, faculty affiliates program, ....
